

LOUISIANA NATURAL AND SCENIC RIVERS SYSTEM

PERMIT APPLICATIONPermit # 959 (Assigned by Department)

The Louisiana Department of Wildlife and Fisheries' Scenic Rivers program is authorized by LRS title 56, Chapter 9 Part II. This law requires permits authorizing activities in or affecting rivers that have been designated by the Louisiana Legislature as Natural and Scenic. Information provided on this form will be used in evaluating the application for a permit. Information in this application is made a matter of public record through issuance of a public notice. Disclosure of the information requested is voluntary, however, the data requested are necessary in order to communicate with the applicant and to evaluate the permit application. If necessary information is not provided, the permit application cannot be processed nor can a permit be issued.

ROBERT J. BARHAM
SECRETARY

Dear Scenic River Permit Applicant:

Please review and concur on the following statement regarding the issuance of permits by the Louisiana Department of Wildlife and Fisheries. This agreement must be signed and returned before a Scenic River Permit can be issued.

"I have been advised and do understand that by applying for and accepting a Scenic Rivers permit issued by the Louisiana Department of Wildlife and Fisheries, I am being allowed to engage in an activity which would otherwise be prohibited by law or for which a permit is required. I understand that the permit is not a license and confers no property right upon me. I specifically agree to abide by all State and Federal fish and wildlife laws and regulations, and all State and Federal laws and regulations which relate to this permit or the permitted activity, and by all other terms and conditions of this permit. I understand that the permit for which I am applying may be suspended, annulled, withdrawn or revoked and that I may be assessed civil penalties, all in accordance with the provision of the Louisiana Administrative Procedure Act, and that I may be denied future permits as a consequence of my failure to fully and completely comply with the terms and conditions of the permit, as well as other laws and regulations pertinent thereto. If served with or notified of a cease and desist order signed by the Scenic Rivers Administrator, I agree to immediately and without delay cease all activities and operations which relate to the permitted activity or which are impacting the Scenic River, until such time as the matter can be resolved in an adjudicatory hearing pursuant to the Louisiana Administrative Procedure Act. I understand and agree that any permit issued to me by the Louisiana Department of Wildlife and Fisheries is in the nature of a privilege which is being voluntarily extended to me by the Department and the failure on my part to cooperate with the Department can result in the loss of the privilege conferred and the denial of future requests for permits. By accepting this permit, I evidence my agreement to be bound by all conditions and stipulations set forth herein."

REV. 12/7/98

Louisiana Natural and Scenic Rivers System
Attachments and Environmental Assessment
Applicant: Chuck Blumenthal (P20152199)
Date: Nov 5, 2015

Step 1 – The proposed project would place 40 yards of sloughed dirt from the bayou onto land. In addition, a 24' x 28' boathouse would be built. Project location is Flower Bayou.

Step 2 – Vicinity Map was sent via email.

Step 3 – Photos were sent via email.

Step 4 – Other Permits Required

Coastal Use – In hand

Corps of Engineers – MVN 2015 00370 (currently under review)

St Tammany Parish – To be applied for after Corps permit is in hand

La Department of Environmental Quality (uncertain)

La Scenic Rivers Permit – being applied for with this package

Step 5 – Environmental Assessment

- A – Existing Land Use – residential
- B – Historical / Archeological Sites – not aware of any
- C – Economic Impact of the Project - minimal
- D – Wilderness / Rural Quality – minimal
- E – Scenic / Aesthetic Value - none
- F – Recreational Use / Opportunities – Recreational boating
- G – Ecological Systems Present – not aware of any
- H – Fish and Wildlife in the Area – minimal
- I – Botanical Elements (Vegetation) – none
- J – Geological Features – not aware of any
- K – Hydrological Features – 9 miles from Lake Pontchartrain
- L – Water Quality / Quantity – no impact expected

Step 6 – Legal agreement - enclosed

Step 7 – Applicant Compliance History - None

Step 8 – Steps taken to minimize potential river impacts

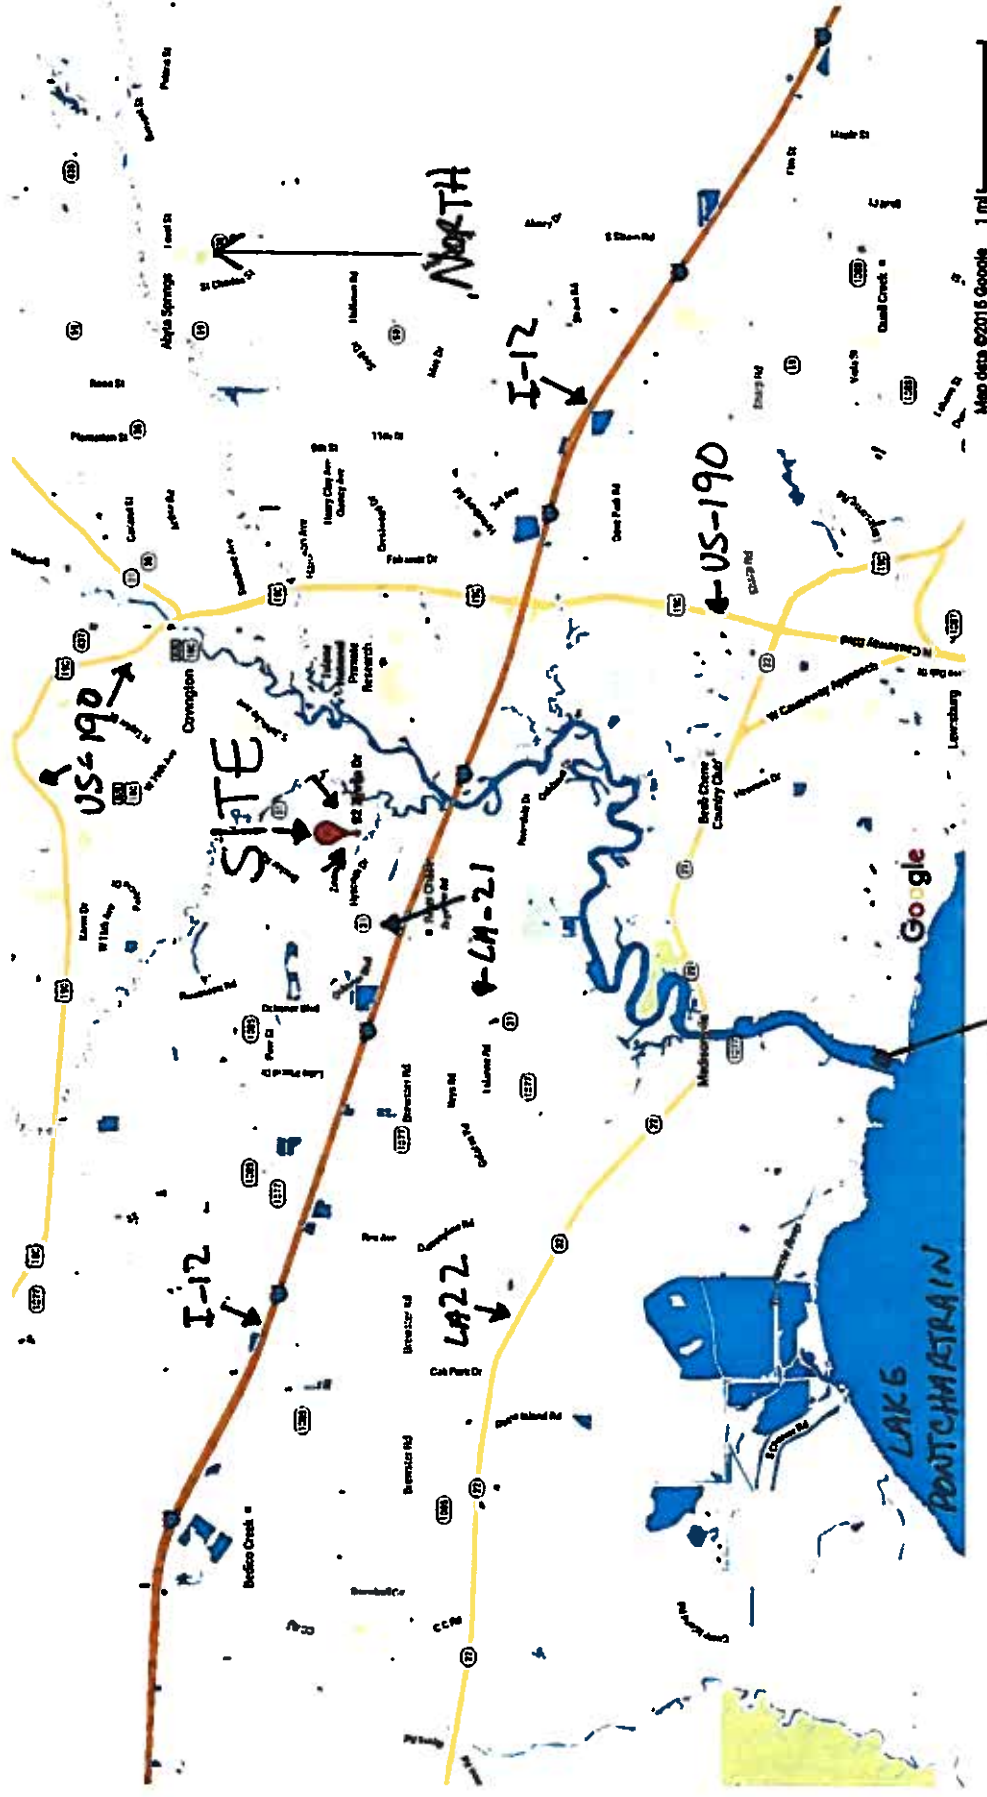

Sloughed material is being returned to land.

Step 9 – Alternatives to proposed project

Alternatives have been discussed with Scenic Rivers group. This application is the result of those discussions.
